

423 CES SELF HELP CENTER

Do you live in base housing?

Are you a facility manager?

The Self Help Center provides common household items and tools to help maintain your base house at your leisure. We also provide the expertise and equipment for minor self-help projects that you would like to complete yourself.

Did your kitchen light bulb go out?

Do you need to paint your office or work area?

You can borrow a lawn mower and weed-eater for the yard!
