

For policing purposes, the county of Cambridgeshire is split into geographical areas with each area having its own neighbourhood policing team. If you are considering living in housing off-base, the Cambridgeshire Police have an on line Neighborhood Watch system known as E-cops:

<https://www.cambs-police.co.uk/myneighbourhood/ecops/index.asp>

E-cops

Sign up to e-cops to receive email updates from your local neighbourhood policing team. As a subscriber you will receive regular updates about crime and anti-social behaviour in your area, as well as feedback from your team about what they're doing to tackle it.

It's a great way of staying in touch with community issues, which can also be shared with family, friends and colleagues. You can also email your policing team through e-cops to share any concerns you have or help local officers with their enquiries, providing feedback on incidents or appeals for information.

e-cops is a free service that gives you direct and easy access to your neighbourhood policing team at a time convenient to you.

If you live or work in Cambridgeshire, why not sign up? All you need to join is an email address. Subscribe today and join our online network to learn more about policing where you live.
