

NON-DOD SCHOOLS PROGRAM (NDSP)

About NDSP

The Non-DoD Schools Program (NDSP) provides academic support and funding for the education of authorized command sponsored dependents of military members, and Department of Defense civilian employees assigned to overseas locations where no Department of Defense Education Activity (DoDEA) school is available.

NDSP Teams

ELIGIBILITY AND PROGRAM SUPPORT

The Program Management Team ensures adherence to policy and laws and works hand-in-hand with the resource management and education teams in support of equitable implementation of the program. This team is responsible for determining eligibility for the program and supports stakeholder understanding of the policies that govern the Non-DoD Schools Program.

FINANCIAL SUPPORT

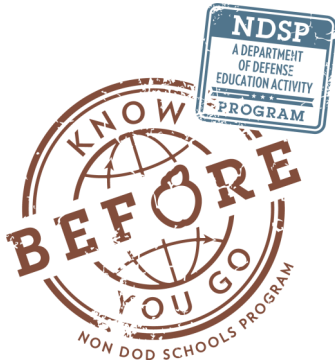

The Resource Management Team ensures the timely processing of invoices and provides support on financial related matters such as reimbursements, refunds, allowable and non-allowable expenses.

EDUCATION SUPPORT

The Education Specialist Team (ES) is composed of certified educators with concentrations and/or additional degree(s) in special education. Each specialist has a geographic area of responsibility to ensure expert knowledge about the educational landscape of their area(s). The ES team provides support for families to ease transitions and ensure educational continuity. Possible topics to address with an ES are: special education, English as a second language (ESL), 504 accommodations, gifted education, high school transition, post-secondary support, U.S. related coursework, home study support, and academic support.
